

SCRATCH AND DENT GRILL WARRANTY

The new Holland Grill Co. is proud to offer a limited selection of "hybrid" scratch and dent grills all constructed from original Holland parts. Some grills may have slight scratches, dents, some light discoloration or other cosmetic blemishes. All have been carefully inspected to make sure they are fully functional and will operate as they should. Below is the warranty we provide on this special selection of Holland Grills:

FUNCTIONAL PARTS--which include but are not limited to, ignitor, gas regulator/hose, gas valve, lid thermometer (if applicable) will be warranted from the date of purchase for one (1) year. After the 1-year period, needed items may be purchased at www.hollandgrill.com.

CAST IRON BURNER--limited warranty for the life of the grill to the original purchaser. During the first year a replacement burner, if defective, will be shipped at no charge. After the first year a shipping fee will apply.

STAINLESS COOKING GRATE--limited warranty for the life of the grill to the original purchaser. During the first year a replacement grate, if defective, will be shipped at no charge. After the first year a shipping fee will apply.

COSMETIC APPEARANCE--no warranty is extended as to the cosmetic appearance of this special selection of scratch-and-dent grills. As stated previously, grills may arrive with certain cosmetic imperfections such as, but not limited to, scratches, dents, discoloration or other blemishes.

We want your Holland grilling experience to be a great one whether you're new to Holland or if this is your second or third grill. If you have any questions about your Holland Grill, please contact us at info@hollandgrill.com
